Welcome to Escala, bringing a taste of Spain to Clevedon.

Escala was opened by local couple, Dom & Alex Lamy, in 2022. Following a successful 6 month pop-up, the restaurant underwent a full refurbishment and is now a permanent addition to Clevedon seafront.

The focus at escala is on fresh, simple dishes served with a modern touch. Our menus use the best local produce as well as showcasing outstanding produce from Spain.

We want our customers to enjoy a relaxed and informal style of dining experience, typical of that found in traditional Spanish tapas restaurants. We recommend ordering 2-3 dishes per person, which can then be shared between the table.

Dishes are served from the kitchen as and when they are ready.

All of our wines, beers, ciders and spirits have been carefully selected to compliment our tapas dishes and are supplied locally by Vintage & Vine on Hill Road, Clevedon.

We have a range of Spanish produce for sale in our retail area, perfect for a gift or just to cook with at home. Please feel free to have a browse or ask a member of the team for more details.

Alhambra

Alhambra brewery was founded in Granada in 1925 and is named after the city's magnificent Alhambra Palace. Alhambra beers, like the Palace, are a by-word for tradition and craftsmanship.

Alhambra Reserva 1925

ABV 6.4%

£6.50 330ml | £10.00 70cl

Dark amber colour, powerful nose, full flavours and well rounded from its 35 days of brewing and conditioning. It is full bodied with lightly toasted aromas, rounded flavours and a perfect bitter-sweet balance ranging from citrusy orange to light caramel malt.

One to savour, on its own, for the quality to stand out, but also with enough weight to carry something lightly spicy and a little bit sweet like North African Merguez, piquant chorizo or Cajun-style scallops.

Alhambra Especial

ABV 5.4%

£5.50 330ml

Golden colour, smooth and crisp with a full, rich texture with lowish carbonation and a little honeyed malt. Aromas of honey, nuts, apple and banana then lead to more citrus fruit evident on the palate, malt is balanced by the hops providing bitterness and spice.

Alhambra Especial is an effective food-friendly match with many dishes; its citrus character goes with most things from Tapas and Pad Thai, fresh tiger prawns to a classic juicy burger.

Sherry Menu

by

Gonzalez Byass

FINO Gonzalez Byass Tio Pepe (uncle Joe) 75ml 6

Very dry and crisp with hints of almonds and a delicate, fresh yeasty flavour. Produced inland where it's hotter, typically 5 to 6 years old. Among the greatest food matching wines, Fino is highly versatile and works superbly with a wide range of dishes.

AMONTILLADO Vina AB 12 year old Amontillado 75ml 6.5

Starts life as a Fino, then after a number of years the 'flor' dies away and the wine takes on an amber colour, darkening with age from wood and oxidation. and developing a pungent nuttiness. Released from around 10 years old. Still very dry, light to medium bodied. Superb with cheese and cured meats

PALO CORTADO Leonor 12 year old Palo cortado 75ml 9.5

A rare variety of sherry that is initially aged under 'flor', destined to become a Fino or Amontillado, but inexplicably loses its veil of flor and begins ageing oxidatively as an Oloroso. Delicate and hazelnutty on the nose like an Amontillado, yet with the enduring bone dry, rich, round, and smooth Oloroso finish

OLOROSO SECO Alfonso Oloroso Seco 75 ml 8

Fortified from the outset with no time for the 'flor' to develop, these wines are darker and richer matching full-bodied dishes and cured meats. Among the longest lived wines in the world, these are smooth and medium-to full-bodied, with a golden nutty fragrance, rich powerful palate and long, bone dry finish.

PEDRO XIMÉNEZ Nectar 75ml 7

A white grape whose resulting wine can range from light and dry, to intensely dark and sweet when sun-dried on 'esparto' straw mats and then aged for many years. These examples are each super-concentrated and Showcases some of the range of styles possible. intensely dark and sweet. PX is also used to sweeten other styles
